

Spring Block 3

Area, perimeter and volume

Small steps

Step 1

Perimeter of rectangles and rectilinear shapes

Step 2

Area of rectangles

Step 3

Area of compound shapes

Step 4

Estimate area

Step 5

Area of triangles

Step 6

Area of parallelograms

Step 7

Volume – cubic centimetres

Step 8

Volume of a cuboid

Small steps

Step 9

Compare volume

Step 10

Estimate volume and capacity
